## PERSONAL PROFILE

Web Developer with a background in finance and a passion for problem-solving. After a year of travel, my work at Lionbridge in La Réunion sparked my interest in web development. I honed my skills through personal projects before building the website and digital presence for RentABikeParis. Now back in Paris, I'm seeking a full-time Web Developer role to contribute my technical expertise and adaptability.

## TECH STACK

- Front-End: Next.js, React.js, TypeScript, Tailwind CSS, Redux/Zustand
- Back-End: Node.js, Express.js, Next.js API Routes
- Database: PostgreSQL, MongoDB, Prisma
- Tools & Deployment: Git, Vercel, NextAuth.js, Firebase

## SKILLS AND EXPERTISE

- Problem-Solving & Debugging – Analytical approach to troubleshooting and optimization.
- Communication – Clear in documentation and team collaboration.
- Teamwork & Conflict Resolution – Works effectively in agile teams.
- Adaptability & Learning – Quick to adopt new technologies.

## LANGUAGES

- French (Fluent)
- English (Operational | TOEIC 940)
- Spanish (Basic)

## HOBBIES

- Sports & Endurance: Climbing, Running, Triathlon
- Team Sports: Football, Volleyball
- Mind Sports: Chess
- Exploration: Scuba diving

## WORK EXPERIENCE

### RENTABIKEPARIS

Web Developer & Digital Manager | 2023 - 2024

- Developed and launched the company's website, boosting online bookings.
- Managed SEO & digital strategy, increasing business visibility.
- Implemented an e-commerce system, streamlining bike rentals.
- Maintained site performance, security, and user experience.

### LIONBRIDGE

Search Quality Analyst | 2021 - 2022

- Evaluated thousands of search results to improve algorithm accuracy.
- Used Google Analytics & Excel to track search trends.
- Provided data-driven insights, enhancing search ranking performance.

### SOCIÉTÉ GÉNÉRALE - SGCIB

Financial Analyst | 2015 - 2020

- Managed client relationships across Trading, Middle, and Back Office teams.
- Conducted pricing analysis for financial products, optimizing tender efficiency.
- Processed financial transactions, ensuring 100% regulatory compliance.
