INTRODUCTION

As an enthusiastic and driven Web Developer, I have experience working with React, Next, and HTML/CSS. I pride myself on my work ethic and dedication to continuously improving my technical skills. For example, I recently completed a project where I developed a responsive website using React, which involved troubleshooting and finding innovative solutions. I am excited to bring my problem-solving skills and enthusiasm to a team where I can contribute to the organization's success while continuing to grow as a developer.
